

INTRODUCING

SONTIQ IDENTITY PROTECTION

Emergency Assistance Foundation is committed to keeping identities safe in an increasingly digitalized world, where the volume and velocity of data breaches continue to escalate. To that end, we have partnered with best-in-class industry leader Sontiq to offer our Applicants comprehensive identify theft protection.

Monitor - Sontiq provides continuous monitoring of your identity, privacy, and credit by using innovative and proactive identity theft protection technology. They'll detect illegal selling of your personal, financial, and credit information, providing robust monitoring required in today's connected world.

Alert - Sontiq provides an early warning system rapidly notifying you when your personal information is at risk. Alerts are sent to your smart phone, tablet, or desktop computer, so you have the power to act before damage is done.

Control - When you want total identity control, count on Sontiq. Understand your credit score, and where or how your online information is being used. Protect your keystrokes, PIN numbers, and credit card information.

Recover - Sontiq's U.S.-based Certified Protection Experts offer comprehensive, 24/7 recovery services. They'll complete paperwork, make calls, and handle every detail to restore your identity. And, you're covered by their nationwide \$25,000 identity theft insurance policy.
